

BREAK UP BRONCHIAL COUGHS, CROUP AND COLDS PROMPTLY

Make the Best Remedy at Home—128 Teaspoonfuls for 50 Cents

Don't neglect your cold, cough, or any bronchial affection, but commence treatment immediately, and through using the proper medicine it can be checked from the very start and promptly cured, but if neglected probably will hang on all spring; if it does not develop into something more serious, such as pneumonia or consumption. True, there are hundreds, yes, thousands, of cough remedies on the market. While some are good, there are many which are not, but are positively harmful, due to the narcotics which they contain. But why experiment with these different remedies purely on the strength, perhaps, of some testimonials or on the exaggerated claims of manufacturers, when Schiffmann's New Concentrated Expectant is sold by E. A. Drown on such a positive guarantee to give perfect satisfaction, yes, even more money will be refunded by them if it is not found the best remedy ever used in severe coughs, colds, whooping cough or croup, and it will also be found excellent for bronchial asthma and bronchitis. Besides these drug-gists guaranteeing "that it will be the best remedy ever used," it will likewise be found the most economical, because one bottle (30 cents' worth) makes a full pint (128 teaspoonfuls) of the most excellent medicine for any of the above affections, when mixed at home with one pint of granulated sugar and one-half pint of water. It makes as much, or more, than would cost you \$2.00 to \$3.00 of almost any of the ordinary ready-made kinds, sold in bottles holding only 24 to 32 teaspoonfuls. You will be the sole judge yourself and under the same positively "money back" guarantee which the druggists make for the famous Asthma-remedy. Absolutely no risk is run in buying this remedy.—Adv.

A. E. Lerche of Springfield Gives a Recipe For Getting Over the Blues

A. E. LERCHE

"If you ever get the blues," he said, "it is well to know the simplest and best way to get rid of them. Crankiness, nervousness and general upset condition preceding the blues usually are due to the relentless grip of constipation on the nervous system. The simplest way to meet this condition is to have a box of Rexall Orderlies in your pocket and the best way is to take one when you feel the attack coming on. It is the finest laxative for men, women and children I know of, and is a regular antidote for the blues—the best ever."

Established in 1899

Seventeen years in business this month; more than two million dollars' worth of property has changed hands through this office during that time; some years our sales have run over \$300,000.00; all classes of property, farms, city homes, building lots, blocks, timber tracts, grist mills, stocks of merchandise, hotels, etc., have been handled. Some having been resold several times during that time and almost invariably have brought higher prices in reselling; which proves conclusively that real estate in the section covered by us, is the safest form of investment. It is sure to be higher. You will see a decided advance in city property as well as farm property very shortly. By purchasing before the rise, you will save money. Some of these listed below may appeal to you. We will be pleased to show them to you or give you more particulars concerning them.

Live City Property

TWO-STORY HOUSE with 3 acres of land; all nearly level and can be subdivided; 2 tenements in house; there are a number of fruit-bearing trees, and the place is exceptionally well situated, affording a view down the street which cannot be obstructed; the location is excellent; 4 minutes or less to the business center; and in an especially desirable section. Buy this; live in one tenement; rent the other and use the land, or subdivide it. The price is right.

SOUTH MAIN STREET RESIDENCE—Situated on a corner lot large enough for another cottage; contains 8 rooms and is now used as a 2-family house, the owner occupying one floor and rents the other. One of the better homes at a moderate price. Only \$2,600.00 takes it.

GREEN STREET HOUSE; one of the very well-constructed houses; 8 rooms; 2 tenements; situated on a good-sized corner lot; is well painted and modern; a good home or investment at \$2,500.00.

SECOND STREET DOUBLE HOUSE; 6 rooms and bath on each side; always rented at \$288.00. A splendid investment, paying over 10 per cent. on price. Special price, \$2,650.00.

ONLY \$500.00 DOWN secures this two-tenement house; large basement barn and big lot of land; 5 rooms in each tenement; a property so situated as to be accessible to stonehills on either Circle or Granite streets. Price, \$2,500.00.

NEAR THE ABOVE, we offer a good 6-room cottage with good garden for only \$1,500.00; easy terms.

EIGHT-ROOM HOUSE AND BARN on the car line; an acre of land; a splendid home at \$3,500.00.

NO. 992—A splendid 30-acre place, only a few rods to village; for only \$1,600.00. Let us show you photo.

NO. 1018—LARGE ACREAGE; also pine, ash and white birch; 365 acres for only \$4,000.00; must be sold to settle estate; located in East Brookfield on the main automobile road; estimated 100 acres in meadow land and the former owner used to winter 100 head of stock from this meadow; there are nearly 175 acres in wood and timber land; old-style buildings, but with some repairs could be made very comfortable; the price is only about what the lumber on the farm is worth; let us show this to you.

NO. 1017—In the same estate we offer a 40-acre place with two-story house; bath, hot and cold water, etc., in the village of East Brookfield; only a few rods to church and schools; the fillage land lays level and is entirely free from stone; barn is about 40x60 ft.; will also include mill and about one-half acre of land for \$2,500.00; if interested in either of the above propositions, better look them up at once.

The milk can be sold at retail. The buildings consist of 2-story house, 2 barns, 100-ft. henhouse, double deck, tool house, etc., etc.; the location is exceptional, being only 1½ miles from Granville—admitted to be one of the best markets; easy drive to Barre City, so there is a market for everything practically at the door; as the owner's health makes it seem best that he live in a warm climate, this valuable proposition is put on the market; a special price for March.
